

K2PRODUCTIONS Reference List

Below is a reference list and links to several satisfied clients. The list is long and comments humbling; we take great pride in providing nothing but the best for our clients and guarantee the same for you and your event. Feel free to call or email our previous clients for more feedback on K2 and the services we provide.

Kevin, I want to thank you and your team for making our Grand Opening event so successful. Your creative ideas and the transformation of our facility was amazing. It is said that a successful event is one that others enjoy and do not know what went on in the background – your team certainly made this happen. Our guests were amazed at the scene you and your team created and each one of our guests had a most enjoyable time and can not stop talking about how wonderful it was. The best comment was from my Region President, he said, “This is the best grand opening event I have ever been too – ever!” Comments like that are rare, but I have been hearing them from everyone who attended.

As an event manager for our company you provided me peace of mind – seldom found in my job. You understood what I was looking for, you presented creative concepts and you implemented them flawlessly. You created something grander than I imagined, thank you!

Kelly R. Paul Assistant Vice President SunTrust Bank

WOW!!! I can't tell how impressed I was with K2 productions. They traveled 3 hrs to the coast where we got married. I never even spoke to them on the wedding day---they knew just where to go, set up everything perfectly, and kept the party going. Brett, K2's videographer was fantastic! Our wedding footage looks like a Hollywood movie. And all my mom's friends are still talking about how good looking they were!

Brett, the video looks AWESOME. Totally captures our day. Now we can revisit the memory or our amazing event. Thank you. Now Tommy's 99-year-old grandmother can see what she was not able to attend....

April, You took very good care of us. Kenneth is amazing and I knew from the beginning I was in good hands with him. I have already gotten great feed back from the guest about the DJ. I was also happy he talked me into the light package. I will make sure we pass your name on to anyone

needing your services. I look forward to calling you in the future if I need anything like this again.

Thanks, Kathy

I can't say enough about K2Productions,we were so impressed with their work that we contracted them to shoot and edit our HD video, DJ, Emcee, and provide A&V support for Adobe's launch party during the National Association of Broadcast Convention at the most exclusive night- club in Las Vegas, Pure. Our guest from Sony, HP, Dell, Intel, Microsoft, and Open HD had a fantastic time thanks to K2Productions flawless performance.

April, I'm writing you tonight to tell you what a terrific job Q did as dj for our Mother's party! My Mother said that night and continues to say that she thought the DJ was terrific! Q did an excellent job! Plus, he was very professional and patient. In fact, several of the guests asked where I found Q and I told them about your company, K2 Productions. Q made our event feel like a real disco!

Thank you for all of your assistance in making my Mother's night such an enjoyable one! Please know that for our next event we will use K2 Productions and request Q.

Best, Daphne Terry

Hi April,

Just wanted to drop a lil note in and thank everyone at k2 for working so hard to help our day be as perfect as possible! It definitely was thanks to your help and the K2 group. They were so awesome to work with. I was a little nervous to have a videographer following me around but he was so nice and never got in the way, and Melissa & Michael were juuuuust wonderful. The Video is sooooo good!!!

Thanks again for being so kind every time you called and e-mailed. It's nice to work with such nice people especially in such a stressful time of our lives!! Thanks again!

Brian and Lyndsi Flynn

P.S. Everyone ooooo'ed and ahhhh'ed over the lighting and gobo projectors, It was a classy look. Just what I wanted!!

Dear Alex,

I just wanted to send you note of thanks for the awesome job you did for the Bryson/Washington Wedding on New Year's Eve! You were very professional, flexible and kept the party going. I trusted your judgment with the lighting and it was perfect. It really took the decor to the next level. It was a pleasure working with K2 Productions. I have nothing but great things to say about the entire organization and I hope that I can work with you again. You are truly a top-notch company!

With great appreciation,

You have no idea how excited I am to have k2 doing our video. Your company Was one of the 1st things that I knew JUST HAD to be apart of our day and no other Company would do. Of course, I had to be reasonable and know that there was a chance that i would not be able to have you for budget reasons...so when my dad contacted me and told me it was a necessity to have a video I cried because i knew i would have K2!

I am so excited! The video as just as much as a big deal to me as the dress!!! Forget the food and cake.... I want K2!!!

THANK YOU SO MUCH FOR MAKING MY DREAMS COME TRUE! The video is amazing, everything I wished for. Thank you so much for everything

Hey Brett!

I just wanted you to know that we got our wedding videos this weekend and they were AMAZING! Thank you so much for all your hard work. I loved the trailer you posted online and the highlights provide the perfect overview of the whole day.

Thanks again for such a spectacular job. If I can ever need a recommendation, please don't hesitate to contact me.

Best regards, Amber

You guys are excellent!!!!!! Josh knows how to work a crowd and everybody just can't stop talking about what a good time they had. Some people said they have not danced in years and they felt very comfortable with doing so at the Wedding. From all ages, young and old... I will suggested you to everybody I know and I know the people who were there will use you if they ever have a need...

"Everything went great! Alex was on time and very professional through the whole ceremony and the party afterwards. He is also a great problem solver; since the power at the ceremony site was not on. He went right in and was able to hook us up to a very long cord and connect it to the house and the ceremony was on time! We will recommend you all to any one that needs a DJ service or any of the other services that you all offer."

*Regards,
Kim*

Alex was wonderful and I would certainly recommend him and your company to a friend. In fact, my brother is getting married in California in October and then having a wedding reception-type party in NC and I intend to book with you again. Our dinner went longer than I had planned, or hoped it would, so we didn't have as much time for dancing as I had wanted. But, that was our fault. I doubt I would have wanted the party to end whether we had gotten started on time or not. What a whirlwind! Thanks again for making this booking so easy, especially at the last minute!

WE LOVE THE VIDEO SOOO MUCH!!

We were thrilled when it arrived in the mail and spent that first night watching it over and over again.

We just went to GA for Christmas and got to see lots of family and friends, and of course, we had to show them, too! Everyone was simply blown away by the quality of the video and we were excited to watch it again and again.

THANK YOU SO MUCH!!! We really appreciate all the time you spent making it just right and we loved what you were able to do with our music choices, too.

Thanks also for putting together this clip so we can send out the link to everyone else.

Happy Holidays!

All our best

Our wedding DVD arrived yesterday, and we're positively delighted, as our families. Melissa did a fantastic job. The fine points like syncing with the music, transitions, and of course smart cinematography make a fantastic result. Thank you so very much!

Kevin, I would like to thank you for making our wedding a complete success. I am sorry that it has taken me so long to send this email but we were on our honeymoon and just got back this past weekend. Almost every guest at the wedding said that you were terrific, played the right music, and made this event allot of fun. I want to especially thank you for being so co-operative with my friend who you allowed to play his saxophone numerous times during the cocktail hour and the reception. I will recommend K2 productions to anyway that is looking for an excellent DJ System for any event. Please feel free to have any potential clients call me

at their convenience for a referral (336-259-7015). You were the best and Daphna and I truly appreciate that.

Take care,

April,

We are so glad that we chose K2 everything was amazing. I have received so many compliments about Alex. He was simply phenomenal! I'm just without words at how pleased we are with your service. We will recommend you to everyone and we can't wait for the video!

Hey Kevin, I just wanted you to know that Q did a great job at our reception on the 11th. Everyone had a great time!! The videographers were fantastic too—The DVD is amazing I have watched it several times and I always laugh and cry, it's precious!! We'll be spreading the good word about K2 for sure!!

Thanks again,

"I truly enjoyed the Wedding video you guys did for us! I never expected it to be so touching and memorable. It was like reliving the experience all over again! The way you set the music to the scenes and incorporated the pictures into the video was amazing. In all honesty, watching the video made me cry all over again. Thank you so much for the hard work and for giving me something that truly captured our memorable Wedding day! I don't want to forget to also thank you for making the reception so much fun. You are the best DJ, and your selection of music was superb. Using K2Productions for the DJ and Video was a smart move for us and it shows every time I watch my DVD."

Leilani Jacobs/Sniffles917@yahoo.com

Dear Kevin and K2 production family,

Wow!! That has been everyone's response after viewing our wedding video. Let me say that I argued with my husband during the planning of our wedding because I thought having a videographer was a waste of money and something extra that I didn't feel we needed. I am so glad he won that battle, especially after viewing our video.

Brett and his team were great to work with. Wedding days are somewhat stressful but those guys were easygoing yet professional. Many of our guests commented about the particular shots that the guys were taking around the venue that day. People said that they couldn't wait to see the video. The day went by so fast for me that it was almost a blur. I am so glad that we chose you guys.

When I met with you I requested something different. I did not want the entire wedding footage. I wanted it to be like a long music video! You guys were great. I got everything I ask for and more. It truly looks like a movie that we are a part of!!!

Thank you so much for making our day so memorable and fun to watch. The music was great too. I love the artistic shots of the venue mixed in with the ceremony, and reception. I can't put into words what we felt when we watched the video. Several people have borrowed a copy to show other people because it is such a different wedding video from any other they have seen before. I will tell everyone I know about you guys.

Well done job! Grazie and thanks again,

Audrey & Nello D'antuono

Hi Kevin, Now that I have had time to catch up since the Bat-Mitzvah I wanted to send a note to let you know what a fantastic job everyone did. The DVD is great so please let Michael know. Alex did a fantastic job DJing as it appears the kids had a great time. The room looked phenomenal with all the lighting they did. I know Ken was around too so please let him know as well. Sorry you weren't able to be with us as I must say you missed a great party!!! Thanks again for everything. Hope your family is well and have a wonderful holiday season. The Tolin's

Kevin and Kenneth we cannot thank you enough for all the hard work you did for our conference, it was a complete success thanks to you. You made it enjoyable for us by being completely professionals and super fun, not to mention all the women loved you.

We can't wait to work with you next month. We would be happy to refer you to any business that needs a team that can come in and handle every aspect of a corporate conference from the A&V support to after parties you guys are perfect.

Hey Kevin, Alex was PHENOMONAL!! His games were great and his enthusiasm was terrific. My group leaders were thrilled and the kids had a great time. If we couldn't have you, we had the next best! Thanks.

Hi Kevin - Thanks so much for everything you did for our wedding! The room looked fantastic with the lighting, snowflakes, and snow machines. I couldn't tell it was the same room! The music was wonderful, too. Everyone had a lot of fun on the dance floor! Thanks for everything! Brandi brandiflannery@msn.com

Hi Brett, I wanted to let you know how much we both truly enjoyed your wedding video! Your team did an excellent job of really listening to our needs and putting together a great video.

We will treasure it always and thank you so much for your hard work on putting it all together!!!

Thanks again,

"We wanted to say thank you for the wonderful job you did Djing our Reception. We have such fond memories of our Wedding day, and we have you to thank for a large part of that. We knew picking a DJ was important because they set the tone of the Wedding and also keep the party going. You did a wonderful job with keeping the flow of the reception exactly like we discussed prior to the wedding day and most importantly not playing songs we requested not to be played. I would recommend Kevin and his company to any couple looking for a professional, talented, and charming DJ and Emcee!

Hey Josh, I know its been a little more than a month since our wedding (hard to believe so much time has passed already) but I have been meaning to send you a note to thank for doing such an incredible job for us. You have no idea how many compliments we've received on our dj. We've been to so many weddings where the dj was one of the weak points of the occasion, so we are incredibly grateful for the job you did. Megan and I both had the most incredible night of our lives, and you played a big part in the success of the evening. We will both pass your name along to our friends with upcoming events without hesitation. Best of luck and thanks again. Justin

Dear Q, There are no words that can describe what you did for us during our wedding reception. Your professional manner as set up were incredible and your DJ/Emcee skills impeccable. We made the right decision in going with K2Productions!

Thank you again and God Bless

Hi Granger, you were amazing at Tim and my reception on Saturday!!! I could not have asked for two more fun DJ. You got the crowd dancing and in the groove. I hope we are able to do business in the future. Thanks again to both of you.

Hi Kevin & Alex! Just wanted to drop you a quick line and let you know that K2 was a huge hit at our party this past Friday night. We even have an employee that just proposed to his girlfriend and was asking about you guys for their wedding reception. Thanks so much for helping us out, karaoke was a big hit with the staff and everyone really enjoyed the additional aspect of having it this year. Even the GM mentioned that it was worth the extra money he had to spend from the previous year. Also, Alex was great! I've heard nothing but great reviews on him all day. Plus, tell him I think he has made himself a few fans among the ladies! Seriously though, he was extremely pleasant & professional! Anyway, thanks so much again for all you did to help our holiday party be a success for our staff. You guys are great and I will continue to recommend your services to our clients!!

Hi Kenneth, I just wanted to say I was impressed with your company's accomplishments and the updated website looks fabulous. You guys did my wedding a little over a year ago and I

was very pleased. As result several of my friends booked you guys for their wedding, one this past weekend at the Empire room. Having been to several weddings myself I know that a good DJ is very important and from the previous weddings obviously hard to find. Compliments are sometimes few and far between so I thought I would say how good of a job you guys did. Congratulations on all the accomplishments and good luck in the future.

Kevin, I just wanted to thank Q and Michael for the wonderful jobs they did last Saturday. Michael was very pleasant when Natalie decided not to do the "interview" portion of the video. She really just wanted the ceremony and a little of the reception filmed. Q was very professional and kept the reception right on schedule. It was obvious that Natalie and Aaron and all their friends were having a great time. Even the "old folks" enjoyed themselves. We just could not have asked for better service. I would highly recommend your company.

Kevin,

Sincerely, Betty Russell

I know Barbara just sent you our address but I also wanted to send a note to say THANK YOU for everything! We thought the music and the lighting were absolutely great on our special day and we appreciate all you did to make our celebration a success! Apparently my fear of no one dancing was completely unfounded - I couldn't believe how much I actually danced! Thanks too for the Sugarland song - I know Barbara requested it and that was great fun.

We enjoyed all our interactions with you and Brett and appreciate everything you both did to make our wedding so wonderful. Plus the Video Rocks, we love it!! Thanks again - we wish you and your business continued success.

Sincerely,

Kristin and Barbara

The event was a blast! Kevin's team is amazing- they kept the energy up the entire time and it all looked so good. You guys are first on my list the next time I do an opening!

Regards, Sarah Chick-fil-A Regional Manager

Kevin, WOW! You far exceeded our expectations and we are more than pleased (that word just doesn't have enough letters in it to convey how we feel)! Allee and Jon-Charles had the wedding and reception of their dreams and you certainly played (pardon the pun) a large part in making it happen. When we met you at that Bridal Show in Winston, Allee said then that K2 looked professional. She liked your "look" and just had a "good feeling", her words, about you and she was right. Her Dad and I are wondering how many times you have been asked to extend a reception for an hour and a half! We have had TONS of calls and e-mails telling us it was the best party EVER!! The guests – almost all 375 of them – were on that

dance floor from the time they got there until the last dance. Even my 88 year old Mom said the music was great and she loved the way you handled the Bridal Party intros and let everyone know about the cake cutting and bouquet tossing, etc. When this wedding planning started last year, I prayed that the Lord would just put good people in my path because He knows that I am NOT the most organized soul on earth and, boy howdy, were my prayers answered ten times over! Guests tried to give me credit, but it wasn't me – it was you, K2, and Corums and Maria's and Doris Tilley and Happy Rentz and Caroline (Kress Terrace) and Sarah and Dove Publishing and our musicians (directed by Carla Ely) at our church! We had family (ours and Jon's) and friends that ran errands and so much help from The Biltmore and The Downtown Marriott (Christin). We were blessed beyond belief. We certainly hope that YOU enjoyed the "job" and please know that we will be recommending you to everyone! Again, thank you so much for helping us make our daughter's dream come true.

Sincerely, Marie and Alan Byrd Pleasant Garden, NC

Thank you for everything. Everybody had a great time and Granger did a great job. It is an older and very mix crowd, so very hard to get them to dance, but Granger did it. Have a great day!
